WSI SUPPORTS SOUTH AFRICA

For every foal WSI registers we make a contribution to the Mitvah School. Since 1986, at the height of the apartheid-era State of Emergency, the Mitvah School has enabled hundreds of poor students from Alexandra Township to pass their matric exam and enter university and/or pursue good careers. Please visit and support www.mitzvahschool.org.za

Warmblood Studbook of Ireland

International Showjumpers with an Irish Accent

STALLION PROFILE

Name: Ballistic m2s
Sire: Ekstein
Dam: Concordia m2s
Dam-Sire: Condios
Breed: Irish Sport Horse
Born: 2006
Size: 166 cm
Breeder: Morningside Stud
Damline: WSI Damline 8
Sport: Ballistic m2s passed the 70-day stallion performance test in Prussendorf, Germany in September 2010. He will begin his sport career in 2011.

Breeding: The sire of Ballistic m2s is Ekstein, the Dutch champion stallion that produced many international showjumpers including the Olympic horse Joel. Ekstein is the damsire of the Olympic Gold Medalist Hickstead, the best horse at the World Equestrian Games and the world's number 1 ranked showjumper in both 2009 and 2010. Ballistic m2s descends from WSI Damline 8, also known as Holsteiner stamm 104a. The foundation mares and fillies in the WSI studbook are the dam of Ballistic m2s, the Premium Mare Concordia m2s (Condios x Cor de la Bryere), and her daughters Chippewa m2s (by Apache d'Adriers), America Ferrera m2s (by Désir du Château), and Billie Clinton m2s (by Clinton I). The dam of Concordia m2s is Ohrle, and Ohrle's half-brother Silberfuchs was a successful 1.40 m. and 1.50 m. showjumper in Germany. The half-sister of Ohrle's dam, the *keur* mare L-Patricia, is the grand-dam of the 2001 Dutch Showjumping Champion Mylord and the mare Finette. Finette is the dam of the international showjumping mare Nicolette and the mare Oda, the dam of the approved stallion and international showjumper Eurocommerce Toulouse. This damline is one of the most prominent in German breeding and is responsible for producing over two dozen approved stallions (including the WSI recognized stallions Caretano, Cassito, and Contendro I) along with international showjumpers such as Retina, Athlet 90, Athletico, Caballo, Corlanda, Contendro II, and Nicolette. Ballistic m2s is currently in quarantine for semen freezing. His semen is available by contacting info@morningside-stud.com

FOUNDATION DAMLINE PROFILE

WSI Damline 10 descends from Thoroughbred damline 12. This is the damline of the world-famous Thoroughbred stallion Heraldik xx, the world's best sire of international eventing horses that also has produced World Cup competitors in both showjumping and dressage. In the WSI the foundation mares from this damline are Heresy m2s (Lantano x Caramel xx x Cale xx) and her daughter Boom Boom Pow m2s (by Condios). Heresy m2s also has produced the yearling colt Ai Weiwei m2s, a stallion prospect sired by Wang Chung m2s. The dam of Heresy m2 is Herka xx, a full-sister of Heraldik xx. Herka xx is also the dam of the approved stallion and successful dressage horse Meraldik and the approved stallion Royaldik.

WSI LICENSED STALLIONS PASS PERFORMANCE TEST

Ballistic m2s (see above profile) and Boy Toy m2s (Ekstein x Limerick x Nimmerdor), the first two stallions licensed by the WSI, recently passed the 70-day German stallion performance test in Prussendorf. With this achievement the status of the stallions has been elevated from Licensed to Approved and progeny of the stallions may now be registered by the WSI.

DESIR DU CHATEAU SIRE OF 7-YEAR-OLD WORLD CHAMPION

The WSI-approved stallion Désir du Château (Quidam de Revel x Cor de Chasse x Rantzau xx) is the sire of the newly-crowned 7-Year-Old World Champion Showjumper, Dax van 'Dablijhoeve. A profile of Désir du Château appears in Horse International 2010 issue 7.
