WSI SUPPORTS SOUTH AFRICA

For every foal WSI registers we make a contribution to the Mitzvah School. Since 1986, at the height of the apartheid-era State of Emergency, the Mitzvah School has enabled hundreds of poor students from Alexandra Township to pass their matric exam and enter university and/or pursue good careers. International Showjumpers with an Irish Accent

STALLION PROFILE

Name: Casall
Sire: Caretino
Dam: Kira XVII
Dam-Sire: Lavall I
Breed: Holsteiner
Born: 1999
Size: 167 cm
Breeder: Wilfried Thomann
Damline: WSI Damline 25
Sport:

During the last few years Casall (sport name Casall La Silla) is one of the world's most successful showjumpers. In 2010 under Rolf-Göran Bengtsson Casall was the world's 5th best international showjumper and his results included winning the 5* international Grand Prix of both both Falsterbo and Rotterdam, winning the World Cup Qualifier at 's-Hertogenbosch, placing 2nd in the 5* Grand Prix of Paris, placing 3rd in the World Cup Qualifier at Verona, and placing 5th in the World Cup Qualifier at Lyon. In 2009 Casall won the Grand Prix of Stockholm, and Odense, and Oslo. He has been a very successful athlete since he broke into international sport as a 7-year-old.

Breeding: Despite his very active sport career Casall is fast becoming a very promising sire. He has sired a large number of young international showjumpers including C.T. with Hugo Simon, Cabachon with Stein Endresen, Calmado with Andreas Ripke, Casa Princessa with Peter Glisic, Casal I with Ales Opatrny, Casello with Douglas Lindelow, Caschetto with Janne-Friederike Meyer, Cassala with Zuzana Zelinkova, Cassanova with Nick Vrans, Cassilia with Pia Luise Aufrecht, Castanea with Janne-Friederike Meyer, Castelli with Sarka Schmaus, Cayena and Celeste with Nadja Steiner, Checkpoint U with Julia Schoenhuber, Cristallo A with Jeremy Le Roy, Croesus with Beat Mändli, Curral with Axel Schmidt, Grey Martini with Arthur Gustavo da Silva, Powerplay with Markus Hauri, Pretty des Etains with Nick van Turnhout, Ultra with Dennis van den Brink, and Uschi with Sarah Toussaint. Casall descends from the very productive Holsteiner stamm 890, which has produced along with Casall the international showjumpers Cezanne, Carl Der Grosse, Corinessa, C'est Si Bon, Corinessa, Caitano, Cesano II, Conally, Crocodile Dandy, Capone, Stamberline, Pamela, Colombo, Elmshorn, Belle Bleu S, Regilio, and Wonderlijke. The damline has also produced several good dressage horses. In addition to Casall his dam Kira XVII produced the approved stallions Clarence I and Clarence III. Kira XVII and her half-sisters produced many approved stallions and international showjumpers, meaning that the immediate damline of Casall is particularly valuable.

FOUNDATION DAMLINE PROFILE

WSI Damline 15 descends from Holsteiner stamm 1866 and the foundation member in the WSI studbook is the approved stallion and international showjumper Condios. The dam of Condios, Ferbena, also produced the international showjumper Campino, the 1.30 m. showjumper Catch Me, and the stallion Legend Z. This damline is rather small (meaning that there have not been many foals produced by the small number of mares from this stamm). Nevertheless the damline also has produced the international showjumpers Cardiolan and Landaro and the stallions Lirs, Farnese, Lucky's Boy, Lands River, and Landaro.

WSI RECOGNIZES CASALL

WSI has recognized the Holsteiner stallion Casall (Caretino x Lavall I). See the profile above for information on this very successful international showjumper and sire.
