WSI SUPPORTS SOUTH AFRICA

For every foal WSI registers we make a contribution to MaAfrica Tikkun to support the Mitvah School. Since 1986, at the height of the apartheid-era State of Emergency, the Mitvah School has enabled hundreds of poor students from Alexandra Township to pass their matric exam and enter university and/or pursue good careers. Google "Mitvah School" and "MaAfrica Tikkun" to learn about these important charities.

FOUNDATION DAMLINE PROFILE

Damline 2 descends from Dutch mare family 199 and is widely known as the "Niki" line. The deceased stallion Ekstein (by the Lucky Boy xx son Zion and out of the *ster preferent prestatie* mare Zaniki by Joost), whose son Joel represented the Netherlands in the 2004 Olympics and whose grandson Hickstead won the individual Gold Medal in the 2008 Olympics, is an Honorary Foundation Sire of the WSI and has many daughters and grand-daughters approved for breeding. The foundation mares are Ushiniki (by Calvados and also out of Zaniki) and her daughters Berdiniki m2s (by Verdi) and Diniki m2s (by Ulysses m2s, a son of Ekstein). This damline has produced many international showjumpers such as Nick Skelton's Apollo, Peter Geerink's Lajos, Hap Hansen's Palfrenier, and Ian Millar's Promise Me. Consul, the sire of Beezie Madden's Judgement, is also from the Niki line.

DID YOU KNOW?

WSI requires the progeny of every stallion and mare to be inspected as foals and later to be assessed as 3-, 5-, 7-, 9-, and 11-year-olds. Stallions and mares are placed on the Watch List and subsequently have their breeding approval terminated if a large percentage of their progeny do not excel in international showjumping and/or in breeding international showjumpers.
