WSI APPROVES FRAGONDA

WSI has inspected and approved, subject to DNA verification, the 2010 KWPN mare Fragonda as a young mare with potential to become a successful international showjumper that will be the dam of international showjumpers. Fragonda was sired by Corland and is out of the mare Organda (Quidam de Revel x Alme x Amor). She descends from the Dutch damline that has produced the international showjumpers Elton, Ireco, Ciska, and Wegonda (a full-sister of Fragonda). Fragonda was bred by F. Wetemans and is owned by Stephen Reilly. Among the scores Fragonda received in her WSI inspection were 7 for type, canter, athleticism, and jumping technique and 8 for jumping scope and jumping reflexes.

BALLISTIC m2s GOES INTERNATIONAL

Ballistic m2s (Ekstein x Condios), the first stallion licensed by WSI, is now an international showjumper. In his first international class Ballistic m2s with Swiss rider Clarissa Crotta jumped double clear and placed 3rd in the CSIYH1 * 7-Year-Old Class at the Horses Riviera Resort at San Giovanni in Marignano (Italy). Ballistic m2s is also the first Irish-bred stallion to pass the German 70-day stallion performance test.
