International Showjumpers with an Irish Accent

STALLION PROFILE

Name: Christian
Sire: Cartani
Dam: Free Lilly
Dam-Sire: Lord Liberty
Breed: Holsteiner
Born: 2006
Size: 172 cm
Breeder: Sören von Rönne
Owner: Sören von Rönne
Damline: WSI Damline 43
Sport: Building on his success as a two-time

finalist in the German Young Horse Showjumping Championship (Bundeschampionate) and with over 50 wins and placings, Christian has commenced a promising international career first with Gilbert Böckmann and now with his breeder/owner, the German international rider Sören von Rönne. The stallion is achieving good results in classes appropriate for his age, 1.30 – 1.40 m., and is jumping exactly how his superior genetics predict he should.

Breeding: The long-lined, modern, and highly elastic Christian was sired by the WSI-Recognized international showjumping stallion and European Championship participant Cartani (ridden by Sören von Rönne and Charlotte von Rönne) and is out of the Olympic showjumping mare Free Lilly. It is very rare to find three Olympic showjumpers in the pedigree of a stallion, and perhaps unique to find two Olympic mares: Cartani's sire (the great Carthago) and dam (Taggi, a daughter of Landgraf I, one of history's most successful mares in international showjumping, and ridden by Sören von Rönne), and Christian's dam (Free Lilly, a daughter of Lord Liberty) are all Olympians. Christian descends from WSI Damline 43, also known as Hannover Stamm 3192702. This small damline has produced the international showjumpers Aspen Extreme, Christian, Free Lilly, and Lombardia, and the 1.40 m. showjumpers Lord Pezi and Lord Pezi Two. This damline also has produced the approved stallions Liberty Life, Lord Pezi, and Pablo's Ass – all full- or half-brothers of Christian's dam.
