## International Showjumpers with an Irish Accent

### WSI APPROVES PMH POLLYANNA AS A PREMIUM MARE

WSI has inspected and approved as a Premium Mare the 2009 NRPS mare PMH Pollyanna (birth name Emarinka) as a young mare with potential to become a successful international showjumper that will be the dam of international showjumpers. This liver chestnut is owned by Susan Keaveney. She was bred by N. Draber in Baarlo, the Netherlands. PMH Pollyanna was sired by Marius Claudius and is out of the mare Isis (Royal Bravour x Pericles xx x Farn). This mare descends from the Freiminka stamm (Mareline 38 / Breeding Family 715), which has produced many international showjumpers including Zernike, Warrant, Iowa (approved stallion), Limminka, Tissem, Oxford, Atlantis W Z, S. Velusinka, Kyminka, Wieminka, Gabinus, Viminka, and Urquelle. Among the scores PMH Pollyanna received in the inspection were 8 for type, canter, and jumping technique; 9 for jumping scope; and 10 for athleticism and jumping reflexes.

### WSI APPROVES EVITA

WSI has inspected and approved (subject to DNA verification of parentage) the 2009 KWPN mare Evita as a young mare with potential to become a successful international showjumper that will be the dam of international showjumpers. This bay is owned by the international showjumping rider Gerard Clarke Jr. She was bred by A. de Gorter in Zuidwolde DR, the Netherlands. Evita was sired by Zazou R and is out of the mare Venus (Mermus R x Derrick x Orthos). This mare descends from WSI Damline 9 (Breeding Family 24 / Mareline 93 / Yranta stamm). This damline has produced many international showjumpers including Kalusha, Parodie, Unlimited Lady, Playboy, Sultan V, Oranta, Warrant (approved stallion), Urban, Benji, Uvantos H van de Renvillehoeve, Vavantos van de Renvillehoeve, Wavantos van de Renvillehoeve, Avantos, Tavanta, Javantus, Renville, Alarm, Bellerose van het Renhof, and Ringfort Cruise.

Among the scores Evita received in the inspection were 8 for type, 7 for canter, and 8 for athleticism, jumping technique, jumping scope, and jumping reflexes.

### WSI APPROVES DIESCHONE

WSI has inspected and approved the 2010 Oldenburg International mare Dieschone as a young mare with potential to become a successful international showjumper that will be the dam of international showjumpers. This bay is owned by Olivia Roycroft. She was bred by Gregor Sieverding in Westerbakum, Germany. Dieschone was

WSI Approved Stallion Classe VDL (Chin Chin x Acobat II)

sired by Diarado and is out of the mare Amarena (Silvio I x Grannus x Praefectus xx). This mare descends from the Andrine stamm, and this damline has produced the international showjumpers Ginster, Lalique, Agro Star, Calvorado, Autogramm, Liquido R 2, Ave Maria, Labuleska, Apropos, Gryffindor, and Dirty Mary. Among the scores Dieschone received in the inspection were 7 for type, 8 for canter and jumping reflexes, and 9 for jumping technique and jumping scope.

### WSI APPROVED STALLION GELDED

Chien-Ming Wang m2s (Wang Chung m2s – Vampire Slayer m2s x Ekstein x Cruising) has been gelded and therefore is no longer an approved stallion. The owners decided that his sport career was being compromised by his hormones, and the best solution was to geld the seven-year-old.

### WBFSH EXECUTIVE COMMITTEE APPROVES APPLICATION

The Executive Committee of the World Breeding Federation for Sport Horses (WBFSH) has voted to approve the application for membership submitted in January by the Warmblood Studbook of Ireland. The final step in the application process will be a vote of the WBFSH's General Assembly at the annual meeting in November.
