Warmblood Studbook of Ireland

International Showjumpers with an Irish Accent

2014 CHAMPION FOALS

The Champion Colt Foal is Caheradoo Falcon, sired by Condios and out of Dutch Gold m2s (Ekstein x Cruising). This bay colt was bred by Kevin Fawl.

The Champion Filly Foal is Firefly m2s, sired by Boy Toy m2s and out of Bumblebee Rose m2s (Hornet Rose x Calvados). This bay filly was bred by Morningside Stud.

2014 STAR FOALS

Along with the two champion foals noted above the following have been named as Star Foals:

Ballinamurra Flare Star, sired by Boy Toy m2s and out of Moving Star xx (Good Tyne xx x Be My Native xx). This bay colt was bred by Claire Wood.

Fiat Lux m2s, sired by Condios and out of Ushiniki (Calvados x Joost). This bay colt was bred by Morningside Stud.

Finiki m2s, sired by Farfelu de Muze and out of Berdiniki m2s (Verdi x Calvados). This bay filly was bred by Morningside Stud.

LEGACY OF EKSTEIN AND NIKKI DAMLINE

The KWPN champion stallion Ekstein died in 2008 at the same time as his grandson Hickstead (Hamlet x Ekstein) won the Olympic Gold Medal in Showjumping. When the Warmblood Studbook of Ireland was launched the next year we designated Ekstein an Honorary Foundation Stallion because we knew his genetics would play an important role in the development of the Irish Warmblood population. We see clear evidence of this in the 2014 Champion Foals and Star Foals, all of which carry the genes of Ekstein or Ekstein's damline, the Nikki line.

Ekstein (Zion x Joost): WSI Honorary Foundation Stallion. Sire of many international showjumpers including Dutch Olympic Team member Joel and damsire of Olympic Champion Hickstead.

A-Rod m2s (Wang Chung m2s x Ulysses m2s): WSI Premium Stallion based in France with British international rider Louise Morley. A-Rod m2s is a descendant of Ekstein through his damsire Ulysses m2s.

Ekstein is the damsire of the Champion Colt Foal, Caheradoo Falcon. Ekstein is the sire of Boy Toy m2s, the sire of the Champion Filly Foal, Firefly m2s, and the Star Foal, Ballinamurra Flare Star. And Ekstein's half-sister, Ushiniki, is the dam of the Star Foal Fiat Lux m2s and the second dam of the Star Foal Finiki m2s. Ekstein is also the sire of the WSI Approved Stallions Ulysses m2s (international showjumper), Ballistic m2s (international showjumper), and Boy Toy m2s. The dam of the stallion A-Rod m2s is a grand-daughter of Ekstein (see photo). And as noted above Ekstein is the damsire of Hickstead, the WSI Recognized Stallion.

WSI ANNUAL GENERAL ASSEMBLY

Members in Good Standing should have received by now details on the 2015 Annual General Assembly and elections for the Stallion Inspection Committee, Mare Inspection Committee, and the World Breeding Championships Selection Committee. Election results will be published in the next WSI Report.
