STALLION PROFILE

Name: Brantzau VDL
Sire: Baloubet du Rouet
Dam: Thorradina
Dam-Sire: Carthago
Breed: Selle Français
Born: 2011
Breeder: Jean-Paul Coche
Owner: VDL Stud
Prior Approvals: Selle Français (Brantzau was the best loose-jumper, and overall placed 3rd, at the 2014 3-year-old stallion inspection) and Holstein.
Damline: WSI Damline 8 / Holsteiner Stamm

104a. This damline is one of the most prominent in German breeding and is responsible for producing over two dozen approved stallions including Contendro I and the WSI Approved/Recognized stallions Caretano, Cassito, and Ballistic m2s. This damline has produced many international showjumpers including Retina, Athlet 90, Athletico, Caballo, Corlanda, Contendro II, Nicolette, Acodetto, Acolord, Avion, Casals, Cassirado, Chaco, Loretta DL, Calderon, Challenge, Corradina, Quentino, Clapton VDL, Corland, BB Viola, Conde, Caracas, Liatos II, Qualino Z, Camiro 6, Tobacco Cays, Z.Q-Liano, and Ballistic m2s.
Pedigree: The sire of Brantzau is Baloubet du Rouet, one of history's greatest showjumpers and a world-class sire. Both Baloubet de Rouet and the damsire Carthago are Olympians, with the former being an individual Gold Medal winner (and three time World Cup Champion) and the latter being a two-time contestant. Brantzau is the eldest progeny of his dam Thorradina. His third dam, Elietta II (by Schampus xx), produced three 1.40 - 1.50 m. showjumpers. Brantzau's sixth dam is the great Retina, daughter of Ramzes, winner of the Hamburg Derby with Fritz Thiedemann, and the foundation of the most important branch of Stamm 104a.
Rationale: Along with a world class pedigree Brantzau possesses the athleticism; jumping technique, scope and reflexes; canter and elasticity; and the zeal for jumping that WSI looks for in approved and recognized stallions. We believe he will become an international showjumper and the sire of international showjumpers.
Semen: In 2015 Brantzau is standing in Germany at EU Stallion Station Sven Völz. Semen orders may be placed by ringing +49.5823.955.520 or +49.173.946.15.18 or +49.173.235.3652 (for Danish and English speakers) or by writing to lothar.voelz@t-online.de
