International Showjumpers with an Irish Accent

STALLION PROFILE

Name: Quantino
Sire: Quarz
Dam: Zagora T
Dam-Sire: Coriano
Breed: Holsteiner
Born: 2011
Breeder: Volker Thedens
Owner: Peadar Murphy – Cullintra Stud

Prior Approval: Holstein
Damline: WSI Damline 53 / Holsteiner Stamm 8805. This damline has produced many international showjumpers including the 1.60 m. horses C'est la Vie, Caracas, and Come on Girl; the 1.50 m. horses Caretol 2, Clearstay, Lajban, and Lauterbach; and at least eight 1.40 m. horses including Kadans Carlazzo (half-brother of the dam of Quantino) and Carlina 24 (half-sister of Quantino's second dam).

Pedigree: The sire of Quantino is Quarz, the international showjumper with Rolf-Göran Bengtsson that is a son of Quintero, also competed by Bengtsson. The sire line goes back to the great Quidam de Revel. Quantino's dam, Zagora T, is a 1.30 m. showjumper and a daughter of Coriano, the sire of many international showjumpers including the WSI foundation stallion Condios. The third dam is by the half-bred stallion Exkurs (by Exorbitant xx), bringing Thoroughbred blood to the pedigree.

Scores: Among the scores Quantino received in the stallion inspection were 8 for type, walk, trot, jumping technique, and jumping reflexes; and 9 for canter, elasticity, athleticism, and jumping scope.

Rationale: Along with an excellent pedigree Quantino possesses the jumping ability, canter, and all the other athletic qualities that WSI looks for in approved stallions. We believe he will become an international showjumper and the sire of international showjumpers.

Semen: Quantino stands at Cullintra Stud in Kilkenny, Ireland. Semen orders may be placed by ringing +353.51.423.977 or +353.87.996.2789 or +353.87.137.0777 (for German speakers), or by writing to cullintrastud@hotmail.com
